Option 10. NPS – Family Income

(This option is available specifically for National Pension System (NPS) subscribers only)

Under this option, the annuity benefit would be payable in accordance with the regulations as prescribed by Pension Fund Regulatory and Development Authority (PFRDA) from time to time. Any change in the product due to changes in the regulations prescribed by PFRDA shall be subject to prior IRDAI approval. As per prevailing regulations, the Annuity benefit will be payable for life of the subscriber and his/her spouse (if any) as per the Annuity option “Life Annuity with Return of Purchase Price” (Single Life/ Joint Life whichever applicable). The RoP Percentage applicable for this option will be 100% of Purchase Price.

On death of the Annuitant (last surviving annuitant in case of Joint life), the Annuity payment would cease and refund of the Purchase Price shall be utilized to purchase an Annuity afresh, at the then prevailing Annuity rates for Annuity option “Life Annuity with Return of Purchase Price” (Single Life/ Joint Life whichever applicable), for living dependent parents (if any) as per the order specified below.

- a) Living dependent mother of the deceased subscriber
- b) Living dependent father of the deceased subscriber

The Annuity would continue until all such family members in the order specified above are covered. After the coverage of all such family members, the Purchase Price shall be returned to the surviving children of the subscriber and in the absence of the children, the nominee/legal heir of the subscriber, as may be applicable.

Under this option the policy can be surrendered by the Policyholder any time after the date of commencement of the Policy. The Surrender Value payable will be the Special Surrender Value (SSV). SSV shall be subject to a maximum of Death Benefit applicable at the time of surrender. SSV will be determined by the company from time to time basis changing economic scenario. The Company may revise the SSV factors based on the then prevailing market conditions. Any change in the methodology/formula for calculating the SSV shall be subject to IRDAI approval.
